Quality Policy

HISTORY:

Over the course of three decades, CDCE has been continuously evolving to provide and implement the most durable and dependable mobile solutions. From hardware upgrades for enterprise clients to innovative mobile technology hardware, we listen to our customers and work hard to meet their unique needs. We have transformed the industry having deployed and service more than 20,000 rugged notebooks, tablets and routers amongst several thousand clients. We are and will continue to be a driving force in this ever-changing environment, communicating with our clients and never compromising mobility and performance.

VISION

To be at the forefront of creating value for our customers by offering quality products with unmatched service.

VALUES

Ethics - We exercise our duties with honesty and integrity at all times.

Teamwork - We respect and support each other, without blame, to create a stronger and better performing team.

Customer Service - We respond to every customer quickly, thoroughly, professionally and with courtesy.
