Sunset Sale
It's never been easier
to move to LTE!

SIERRA WIRELESS®

Upgrade your Sierra or competitive 2G or 3G devices for a Sierra Wireless LTE Router* by June 15th and get up to a $100 rebate per device!

Extending the Life of Your Deployments Doesn't Have to Come with a Bigger Bill

With critical 2G/3G cellular network shutdown dates quickly approaching in North America, now is the best time to upgrade or add to your network of routers. Sierra Wireless is making it even easier by offering you a rebate on each device you purchase!

When you upgrade to a Sierra Wireless LTE router you will get:

- $50 - $100 savings - Per device upgrade, including Sierra Wireless devices and other Manufacturers
- 1 Year of free support - With AirLink Complete included in every new device purchase
- Single point of accountability - For all your devices and SIMs to simplify operations and reduce your total cost of ownership
- 10 – 20+ more years - To the life of your deployments with LTE

Why Choose Sierra Wireless?

Only Sierra Wireless has over 25 years of expertise designing and building purpose-driven routers and securely integrated device management platforms. Organizations can depend on Sierra Wireless to help them easily transition tween 2G, 3G, 4G and 5G.
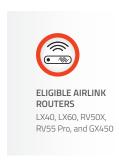

Why Upgrade Now?

Keep in mind these key network sunset dates:

CARRIER	COUNTRY	NETWORK	PHASING OUT BY:
AT&T	U.S.	3G	February 2022
T-Mobile	U.S.	2G	December 2020
Verizon	U.S.	CDMA	December 2020
Rogers	Canada	2G	December 2020

*Eligible devices are: LX40, LX60, RV50X, RV55 Pro, and GX450

Get one-year free support and device management included with every new LTE device

Maximize your hardware investment and ensure your applications operate at peak efficiency by subscribing to our best-in-class AirLink Management Service (ALMS) and technical support.
